**Dear Editor:**

I received a copy of your October 18th newspaper from my Mom. My name is Mark A. Kelly, proud son of Mr. and Mrs. Robert L. Kelly of 16 Elder Lane, Dillsburg, Pa. one of the 21 sons and daughters of Dillsburg residents departed in Operation Desert Storm.

I just want to say thank you to Mr. Gordon and all of the people of Dillsburg for supporting those who are over here. It is people like you that make me proud to be defending our country and the people of Dillsburg. I was deeply shocked by the warning shown in this article and you should be proud to live in a town as small and strong as Dillsburg from my standpoint, Lee Greenwood says it all in his song, "I'm proud to be an American." The people of Dillsburg are the reason I feel that way.

God bless you all and once again, thank you.

Mark A. Kelly

**Dear Editor:**

I applaud the efforts of the Directors of Cumberland Valley and Susquehanna Township School Districts in their recent contract negotiations with their teachers. Unionism is a good thing. It is the political environment in which they find themselves. Their action was a rare showing of leadership. It is about time we recognize the impact our teachers have on our society and our future.

The education profession was incapable of attracting professional teachers at the salaries to which we are paying them. They are not the political environment in which they find themselves. Their action was a rare showing of leadership. It is about time we recognize the impact our teachers have on our society and our future.

**Thanks to Football Coaches**

I would like to take this opportunity to publicly thank the Northern High School football coaches for their hard work and efforts during the 1990 season.

In fact, it is not an easy task to take away many individuals' personalities and insecurities and not to always want to be "seen" for the way they do things. I am sure that you all have seen this in your own lives. I am sure that you all have seen this in your own lives. I am sure that you all have seen this in your own lives.

**Filicious Name**

It seems that the name of the Dillsburg Banner is being used in a variety of ways. Some people are using it to refer to the newspaper, while others are using it to refer to the town of Dillsburg. This is a bit confusing, so we thought we would clarify it for you.

**WEEKLY HEALTH TIP**

A safety hazard occurs when you combine chlorine bleach with acids or ammonia. It produces chlorine gas, which irritates the eyes, skin, and respiratory tract. It is large and can be fatal. This can happen when bleach is mixed with some toilet bowl cleaners containing acid. To clean the toilet bowl, use a bowl cleaner, or use the tank sanitizer, but not both.

Keep you safe at work!
